

TRANSFORM WORKSHOP

*Business Owners Around The Country Are Tired Of Pursuing
Growth and Success Measured by Income Statements*

INSTEAD, THEY ARE TRANSFORMING THEIR BUSINESSES FROM THE USUAL BUSINESS MODEL TO ONE REIMAGINING SUCCESS BASED ON PERSONAL VALUES AND MORE PROVEN METHODS.

IS IT TIME TO TRANSFORM YOUR BUSINESS?

- If you're too busy to work ON your business
- If time is your enemy, and your home life suffers
- If you've ever felt alone and exhausted because your business's future sits on your shoulders
- If good loyal employees are elusive
- If your passion, joy, purpose, profits, and goals are diminishing
- If you wish your business mattered more to God

THEN AGORA TRANSFORM IS FOR YOU!

FOCUS YOUR VALUES

Using Christ's example, TRANSFORM will clarify or even remodel your business by defining your values and purpose and create a clear view of your success that is both fulfilling and God-honoring.

BUILD A PLAN TO REACH YOUR GOALS

Being busy doesn't always equal productivity. Strategy can take away the unwanted distractions and help create focus. We will help you build and implement the best strategy and approach for your business.

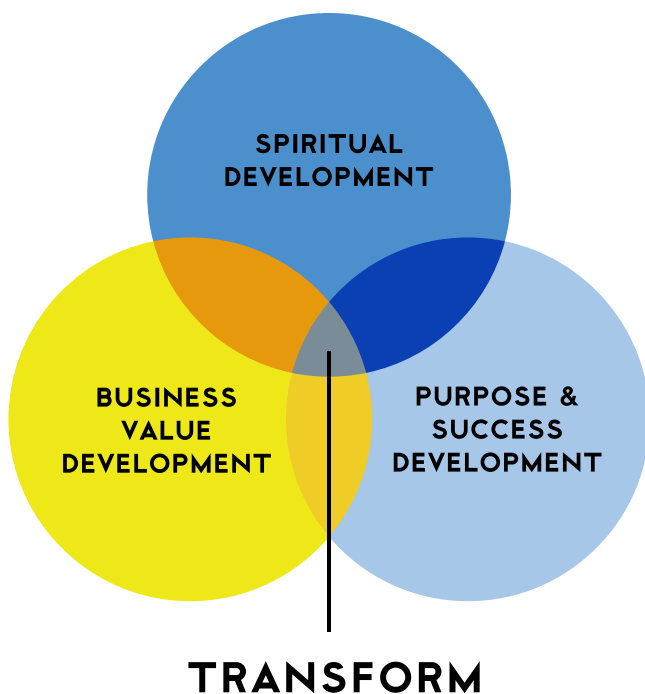

EXPERIENCE TRANSFORMATION THAT LEADS TO LASTING VALUE

Change for change's sake is not always helpful. When the change is brought about through thoughtful and intentional steps (formed from your refined values and a solid plan), it is transformational. You will notice a difference and so will those you do business with!
